

European Public Affairs

Junior Consultants

Due to our continued growth, we are expanding our team further. We are recruiting Junior Consultants to start at the end of August.

### **Junior Consultants**

We are recruiting Junior Consultants who are at the beginning of their career and have some knowledge of Brussels gained from the EU institutions, a consultancy or the financial services sector. At this level, we are looking for talented individuals who can work with us to become first class consultants.

To begin, you will be assisting our consultants with

- Monitoring and intelligence gathering on priority issues
- Client outreaches and briefings
- Attending conferences and events
- Conducting research and reporting findings in a clear and concise manner
- Preparing reports, newsletters and analysis on financial services issues
- Organizing various events
- Client meetings and conference calls

### **What we offer**

We offer an intellectually challenging and dynamic environment alongside our team of consultants. The contract will be for six months under Belgian law, including lunch vouchers and medical insurance. It is an opportunity to learn about how we work as a consultancy as well as acquiring the skill set needed to be a European public affairs consultant. Should we find the experience mutually beneficial, we would be happy to extend the engagement.

### **Candidate Profile**

You will have a Master's degree in a relevant field such as politics, law, international relations, or European Studies and now want to develop the practical aspects of being a consultant. You need to have native level English and have a genuine enthusiasm for public affairs.

To apply, please email a short covering letter and a CV to [info@aforeconsulting.eu](mailto:info@aforeconsulting.eu). Only those applicants invited for interview will be contacted. Thank you for your understanding on this. The closing date for receiving applications is 30 June 2021.
